

The Annual Meeting of the
Friends of Cabrera Trust and Woods

March 7th, 2025

Virginia Water Community Centre @ 7:30pm

AGENDA:

1. Welcome by the Chair (*George Biswas*).
2. Apologies for absence.
3. The purpose of the **FCTW**:
Our primary interest is in raising funds to maintain the level of capital in the Cabrera Trust Fund, with a secondary interest in promoting the Riverside Walk and Nature Reserve by organizing guided walks and giving presentations.
It is important to note that the **FCTW** is not involved in the actual management of the land. That is the responsibility of the Cabrera Trust Management Committee and Runnymede Borough Council.
4. **FCTW** achievements over the past year.
5. Accounts Review – *Peter Try, Treasurer*.
6. **Thank You** to our donors
7. Volunteering: Work Parties & FCTW Committee
8. As there is no Virginia Water Trail in 2025, the **FCTW** will be hosting some more nature walks and presentations (*tbc*).
9. Proposition to make Jeff Turner (*retiring Secretary*) a lifetime honorary member.
10. Future Concerns:
 - a. Reorganization of local councils
 - b. Public awareness of the Cabrera Land's benefit to the community.
 - c. Fundraising activities.
11. Any other business.
